File with amendments, 665 to be advanced to General File with amendments, 599 advanced to General File with amendments, 600 advanced to General File with amendments, 641 advanced to General File with amendments, 659 advanced to General File with amendments, 717 advanced to General File, 836 advanced to General File, 826 advanced to General File, 772 advanced to General File, 662 advanced to General File, 653 advanced to General File and 626 indefinitely postponed. Mr. President your Committee on Miscellaneous Subjects whose Chairman is Senator Dworak to whom is referred LB 833 instructs me to report the same back to the Legislature with the recommendation that it be advanced to General File with amendments. Mr. President, Senator Simon asked unanimous consent to bracket LB 202 until February 27.

SENATOR MARVEL: It's a unanimous consent request. Is there any objection? Senator Hefner, do you object? Senator Simon. Is Senator Simon in the room? Senator Simon, you have a unanimous consent motion to bracket a bill and there has been an objection. Do you want to move...?

SENATOR SIMON: By who?

SENATOR MARVEL: Pardon?

SENATOR SIMON: By who?

CLERK: Senator Hefner.

SENATOR MARVEL: Senator Simon, what is your pleasure?

SENATOR SIMON: Mr. President, I wasn't aware that there was such a total lack of professional courtesy today, but I guess if I have to go ahead and bracket my own bill... I wasn't aware that that was such a tremendous undertaking. I quite honestly, Mr. President, would like a little bit more time on this and that is why I have asked to have it bracketed until February 28. I don't think that will cause this body any undue hardship or harm. I realize, Senator Hefner, that it is a meritorious bill and that you want to vote for it right away but I urge you just to control yourself. Just relax and hold back and we'll take care of it on the 28th of February.

SENATOR MARVEL: What is your motion?

SENATOR SIMON: I would ask, Mr. President, since there is an objection then that we bracket LB 202 until February 28th.

SENATOR MARVEL: The motion is to bracket LB 202 until February 28th. All those in favor of the Simon motion to bracket 202 until the 28th of February vote aye, opposed vote no. It takes a majority of those voting. Have you all voted? Have you all voted? Record.

CLERK: 15 ayes, 1 nay to bracket, Mr. President.

SENATOR MARVEL: The motion carried and the bill is bracketed. What else do you have before the House?

CLERK: I have nothing further at this time, Mr. President.

SENATOR MARVEL: Senator Luedtke, do you have a motion you would like to make?
